What is an eBook?

eBooks are electronic versions of real books, which give students and teachers a new way of interacting with words on screen. They are incredibly easy to download and use in your classroom, ICT suite or library

Rising Stars is a respected and successful publisher of reading materials that engage and motivate readers. Following successful trials we have converted 50 of our most popular reading books into an eBook Library.

Rising Stars eBook Library comes complete with a permanent site licence (so no annual subscription!), which means that every child in your school can read an eBook as many times as they wish on any PC, whiteboard, laptop or PDA, for less than £20.

See overleaf for details on the titles included in the eBook Library and remember, when you buy the pack you will receive ALL the titles in printed book format FREE.

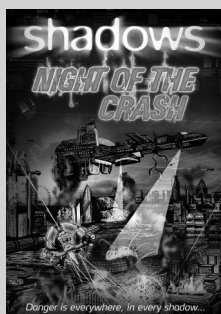

Rising Stars eBooks Library – Includes 50 eBooks from the series listed below plus you will receive the Library in printed format FREE.

Shadows (includes 5 eBooks)

Set in the near future, this series follows Matt Merton who works for The Firm and is trained to identify and kill The Enemy – the aliens among us. *Shadows* is hugely popular with its gripping storylines and atmospheric black and white illustrations throughout.

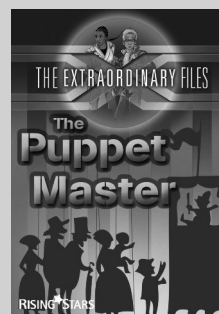

Interest age: 9-12+ Reading age: 6-7

Extraordinary Files (includes 8 eBooks)

The series follows Laura and David through sixteen off-beat, supernatural mysteries that combine an absorbing storyline with text appropriate for struggling readers, with a particular emphasis on dialogue. Each book includes reading comprehension questions, a glossary and an 'about the author' section.

Interest age: 9-12+ Reading age: 7-8

Superscripts (includes 8 eBooks)

Superscripts is a series of six-part plays featuring four bite-sized scenes that have been written for 10 to 15 minute reading sessions. There are six colour-coded parts per play and each play has been written with language and humour designed to engage and motivate students.

Interest age: 9-12+ Reading age: 6-7

Download (includes 12 eBooks)

This series uses extreme sports, fast cars and popular culture as a theme to encourage students back to reading. Each title is presented in a magazine-style, featuring a non-fiction story that develops over three chapters and uses colour photographs and appropriate vocabulary. Interactive activities are also included.

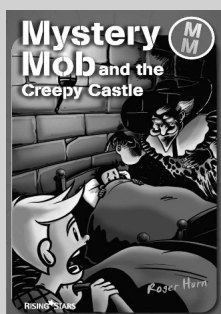

Interest age: 9-12+ Reading age: 6-7

Mystery Mob I (includes 6 eBooks)

This series features a gang of boys investigating strange mysteries. The humorous dialogue is presented in a play-script style making it ideal for paired and guided reading. Each story includes non-fiction pages too, which include quizzes, jokes and facts.

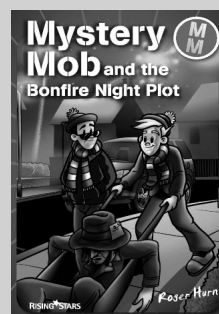

Interest age: 7-11 Reading age: 7-8

Mystery Mob II (includes 6 eBooks)

Following on from the success of the first series, the *Mystery Mob* gang are back for a second!

Interest age: 7-11 Reading age: 7-8

Snapshots (includes 5 eBooks)

With their bold design and familiar subject matter (from battles to Batman) these books are perfect for guided reading and for encouraging less able readers to enjoy reading alone. They include a range of text types, feature popular topics and can be used for cross-curricular project work.

Interest age: 9-12+ Reading age: 6-7

Rising Stars eBook Library is available in Adobe pdf format – if you require an alternative format please let us know. Each eBook is usually priced at £25 – we are offering you 50 for just £995 – saving you £255.
